ESSENTIAL CUISINE STOCKS

Stocks (often mistakenly called bouillons) are one of the cornerstones of a good kitchen, they are a key ingredient in your recipe, the heart and soul, delivering depth and balance of flavour in the final dish. So make sure your stock delivers on taste!

Fresh Pasta

BUON NATALE

La Tua Pasta, Pumpkin & Sage

Tortellini with Pumpkin are 6 times Great Taste Awards winners. They are pasta parcels which are carefully hand-folded. The pasta is made of high quality Italian flours and fresh eggs. This allows the pasta to hold lots of filling and keep its shape well when cooked. The filling is made with Italian pumpkins of the sweetest quality. They are traditionally served with butter and sage. They take only five minutes to cook without defrosting in advance and can be served as a starter or as a main course. All products are individually frozen and in 3 kilo boxes!
