# Merry CHRISTMAS

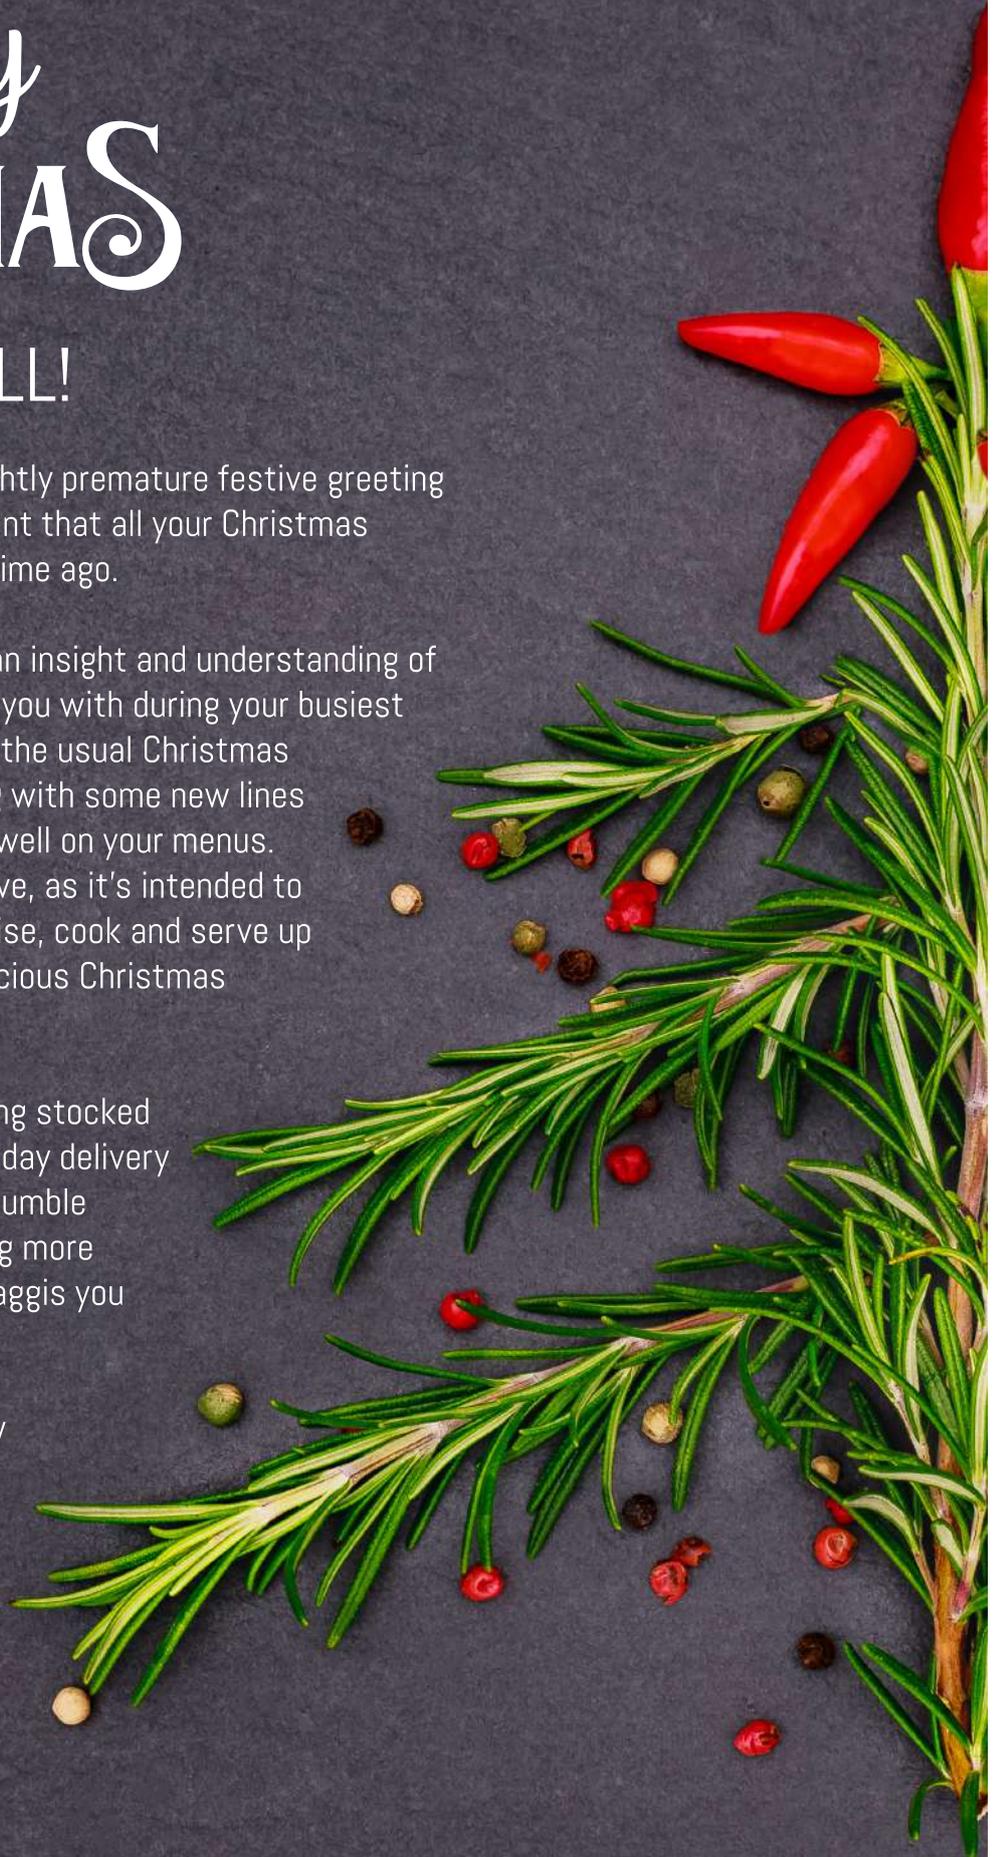

## TO ONE AND ALL!

Apologies for the ever so slightly premature festive greeting folks, that said we're confident that all your Christmas menus were finalised some time ago.

This brochure is to give you an insight and understanding of what delights we can assist you with during your busiest period. As you would expect, the usual Christmas favourites are featured along with some new lines which we are sure will work well on your menus. The brochure is not exhaustive, as it's intended to excite and inspire you to devise, cook and serve up uniquely, interesting and delicious Christmas fayre for your guests.

All products featured are being stocked and will be available for next day delivery so whether you want some humble cranberry sauce or something more specialised like vegetarian haggis you can count on Freshview.

On a final note the Freshview team would like to take this opportunity to thank you for your support during 2019 and wish you and your loved ones a Merry Christmas and Happy New Year.
